## 1996 58 Viking

---

Tunacious underwent a major refit in 2015 - 2016.

New Caterpillar C-32 1450hp engines were installed. These have full factory warranty until July 2019, and additional Extended Service Protection can be purchased from CAT. The engine exhaust system was replaced at that time including new ZF transmissions and new 3-inch shafts. The hull and superstructure have been painted. The Flybridge four sided 4Z2CY enclosure is new. Two STIDD Helm Chairs and footrests were installed. The interior has been completely refurbished. New headliner and wall coverings, New Carpet and full carpet runner, new Hunter Douglass sheer window blinds. New Bedspreads and coverings throughout. The Galley counter platform was redone and extended 18 inches to accommodate 4 Kitchen Aid undercounter refrigerator/freezer drawers, a Miele convection oven and a Bosch ultra-quiet dishwasher. New countertops with an overhang to allow for three bar stools was added. A Marquipt 1500# hydraulic davit was installed. New flat screen TVs in Salon and Master stateroom.

If you are looking for a convertible in this size, Tunacious should not be overlooked. This boat looks and feels like a very late model Viking. If you are looking for the dependability of new CAT engines with warranty, and the comfort of a 58 foot Viking, one can expect to pay millions more. This is a buying opportunity that is rare in our marketplace today. Tunacious is sure to impress the most discriminating buyer.

### Vessel Walkthrough

Three stateroom, three head layout with a large open salon for entertaining. The master stateroom portside has a queen berth and private head. The forward stateroom has a queen and private head, and guest stateroom is starboard which includes a washer and dryer behind a teak closet door with access to a third head. Up the companionway steps is the main deck including the galley, dinette and large custom u-shaped sofa in the salon. The boat has a Luxury Edition décor including the window treatments, soft goods, countertops, stereo system, and much more. All fixtures are gold accent including heavy duty hardware on all doors, recessed lights, push locks, handles, faucets and shower doors. Raised panel cabinetry.
