SPECIFICATIONS

Overview

The 39' Yellowfin is one good looking Center Console - A sexy, high performance fishing machine that will turn heads anywhere she goes! With a foot and a half more beam than the popular Yellowfin 36, the 39 Hull is based on the twin-stepped Hull of the Yellowfin 42, herself one of the top-selling big Center Consoles on the market. A semi-custom boat, the 39 is available with a wide range of factory options including a coffin box, bow thruster and removable rear bench seat. The Helm features three-across seating with flip-up bolsters, and there are three live wells - an 80-gallon unit in the transom, a 50-gallon well under the aft Cockpit sole and a 20-gallon live well behind the Helm seats. The double-wide Console seat and aft facing Cockpit seat come in handy when guests are aboard, and there's enough rod holders and in-deck storage to satisfy any angler. A large Lazarette provides access to through-hull valves, bilge pumps and fuel filters. The tall gunwales are a plus, especially in the bow area. Beneath the big Console is a standup Head and shower. CALL TODAY!!!
