SPECIFICATIONS

Overview

One of the most highly regarded midsize Center Consoles ever built - And one of the best-looking as well - The Yellowfin 34 sets the class standards for fishability, quality and performance. Yellowfin is widely recognized for building some of the best offshore fishing vessels on the market. The company provides tons of factory options allowing owners to customize each boat to suit their personal needs. A 55-gallon transom live well is standard, and additional wells are available behind the leaning post and in the Cockpit floor. Insulated below-deck fish boxes are forward, and the Console compartment can be fitted with a Head and shower. Additional features include K-Plane trim tabs, Cockpit bolsters, flush-mounted cleats, fresh / raw water wash downs and tons of rod holders. The tall gunwale height is noteworthy, especially in the bow area. Popular options including a T-Top, aft facing Cockpit seats, coffin box and removable rear bench seat. Built on a Kevlar-reinforced, vacuumed-bagged Hull with a single step, the exceptional performance of the Yellowfin 34 has a lot to do with her relatively light weight. CALL TODAY TO GET YOURS!
