SPECIFICATIONS

Overview

Reflection is a meticulously maintained yacht that is in true sail away condition. The original owners have invested in upgrades for ease of operation, maintenance, and comfort. The chine in the hull expands the room below to create an owner's cabin that is typically found on luxury yachts in excess of 50 feet, along with a spacious VIP stateroom. The chine also provides stiffness, stability, and comfort in heavier air that surprises everyone.

The shoal draft and ICW compatible mast height have enabled Reflection to cruise comfortably in the Chesapeake Bay, Florida, and the Bahamas. Commissioned in 2013.

Roller furling main and jib with all lines led aft to upgraded Harken electric primary winches in the cockpit, and upgraded Harken electric winch on the cabintop, plus additional cabintop winch makes this boat easy to sail. Custom canvas, Custom cushions, Generator, Bow Thruster, Air Conditioning, dinghy, davits, cruising asymmetrical spinnaker, and much more...
