SPECIFICATIONS

Overview

Offered for sale by Alex Lees-Buckley, the 43.6-metre BLUE VISION from Benetti joins the Camper & Nicholsons sales fleet.

Built by the renowned Benetti shipyard and delivered in 2007, the 43.6m BLUE VISION is a fine example of the highly successful Benetti 'Vision' range. A yacht of true distinction, she has an elegant profile with a dark blue hull.

Combining comfort and style throughout, she exemplifies Italian design at its most spectacular. Sporting a stunning interior (totally renewed in 2017) and the latest audiovisual and communications equipment, she provides the perfect combination of contemporary luxury and modern technology. Italian marbles are complemented by light sycamore panels and warm Mediterranean toned leathers and fabrics. The result is a modern, light and comfortable décor with wooden floors in the main salon, owners stateroom and sky lounge.

Among her five spacious cabins is a full width master suite on the main deck featuring a private office, his and hers en suites, and panoramic views from the 180 degree windows. The master suite also benefits from a private forward deck seating and sunbathing area, which cannot be accessed from other guest areas and is therefore totally private. Further guest cabins, comprising two large doubles and two twins, with additional Pullman berths, are situated on the lower deck.

The luxurious interior is complemented by vast outdoor spaces featuring everything required for relaxation and fun in the sun. Notable attributes include the large sun deck, which is both a sunbather's haven and a social hub with a shaded dining area and forward seating area and a Jacuzzi surrounded by sun beds aft. The upper deck is equally inviting and offers indoor/outdoor living with full width circular sliding doors from the sky lounge and circular dining area opening to the aft deck and large seating area. The main deck aft provides another space for guests to dine al fresco in a shaded area.

At anchor her swim platform comes into its own, and extends to a beach club; an alternative area for guests to relax as well as providing access to an array of water toys. Her large garage carries a 7.60m Zodiac tender NZO 760 with 300hp engine, a 3.8m Zodiac Futura with 25hp engine and an array of watersports toys.

2017 - Ten years class survey completed

2019 - Full 1000 hour service plus heat exchanger gasket change on both main engines

10.000 hours service on both generators

COMMENTS

Blue Vision has an excellent charter record and future potential. Her completely new interior stands her apart from yachts of similar age. She is sensibly priced and seriously for sale. Inspection is highly recommended.

Exclusions

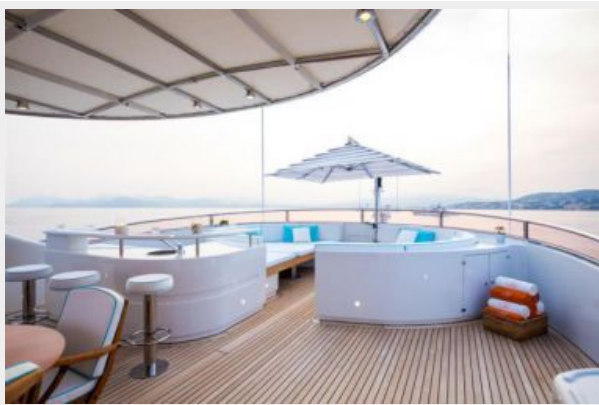

Owner's personal belongings.
