Overview

Asking price EUR 120,000 Excluding Commission

The Targa 43 was designed as much for socializing as is for speed. She is spaciouly arranged and generously equipped both above and below deck. She has an integral garage that is a convenient big-boat touch. She's a joy to pilot, thanks to her fast, dry hull form, ample power and crisp handling, while her outstanding space and amenities make entertaining a pleasure.

In particular this targa 43, is a great boat to have because it has had only one owner – the engine hours are only 471.

This is a typical owner that sleep only two times in the boat. We checked the boat materials carefully and the fiberglass, the interior wood bilge pumps, the carpet, the empty spaces under the seats and the boat is in order.

This is an opportunity not to be missed!
