Remarks

NO NAME 38 DONZI was found after an exhaustive search while looking for a clean, inside stored low hour quality Center Console. This 200 hour lightly used ZSF shined like new and was in near perfect condition.

Then her perfectionist new owner spent over \$68,000 on upgrades and improvements. He gave a Mercury Master Mechanic carte blanche to make sure she would be trouble free. \$37,500.00 later he has just that.

One is not likely to find a better condition more well cared for 38' Center Console of any brand. Owner sea trialed a similar size and layout Intrepid and bought the Donzi due to her excellent sea keeping abilities and overall value for the dollars spent. Owner wants to trade up! Owner desires to trade up to a larger Sportfish or Express Cruiser! SELLER WILL CONSIDER ALL OFFERS INCLUDING TRADES!

Exclusions

While every effort was made to list all pertinent included equipment aboard NO NAME

38 DONZI, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing.

Exclusions

Owner's personal belongings.
