One of the best flybridge models to be developed, this is also one of the most refined and elegant in the series. The open flybridge not only reflects contemporary styling but is perfect for all-weather cruising. The sheer on board space, from the deck to the saloon to the master stateroom, also makes the 51 ideal for long range cruising... and with three cabins and two bathrooms, six adults can set sail in unparalleled comfort. Thrilling performance, unashamed luxury and the confidence that comes with the renowned build of a Riviera: a boat to take your breath away.
