DETAILED INFORMATION

Description

Cruisers Yachts 3772 also known as 370 Express has a tall freeboard and sleek appearance, the 3772 Express conveys the impression of being a bigger boat than her 36 foot hull water-line length suggests. This vessel has two new motors. Built on a cored modified-V hull with prop pockets and an integrated swim platform, she offers an open floor plan with separate head and shower, a rarity in production express boats these days. A very spacious single-stateroom floor plan has an aft sleeper-sofa in the salon. What makes these layouts so comfortable and unique is the single-level salon sole; in most other mid-cabin designs, the settee/aft berth area is a step down from the salon floor. The interior is tastefully finished with cherry woodwork and joinery. It is unusually spacious thanks to the 3772's wide 13' beam. This boat was made for long weekends and cruising with a walk-through windshield, a separate stall shower in the head, excellent engine access, and a cockpit wet bar.
