## Overview

---

The Offshore 48 Yachtfisher is a traditional double-cabin design with a trawler-style appearance and a practical cruising layout. Her low-freeboard modified-V hull is cored from the chine up, and her 15' - 6" beam is about average for her size.

"Tay-Ken Aweigh" has been well cared for and is in very good condition. This boat has had the main engines replaced in 2002 with 3126B model Caterpillars with 1700 hours on them. She also sports a hard top over the helm, two generators, bow-thruster, washer/dryer, Sat TV, Sat Radio, sundeck refrigerator/freezer, 2500 watt Xantrex Inverter, hydraulic davit lift and all new Garmin electronics. She has fresh wax from the water line to the top of the boat and fresh bottom paint. All pumps have been replaced and new after-coolers on the main engines.

If you are looking for a 48' Trawler then "Tay-Ken Aweigh" is a must see.

DYSID:3117479
