## Overview

---

The Sea Ray 370 Express Cruiser was an effort by Sea Ray to develop a serious, tournament-level fishing boat. A top quality express with a big, well designed cockpit and a lavish, family-friendly interior. The Sea Ray 370 is a big boat thanks to her wide 14' - 2" beam. The cockpit offers lots of space for fishing, and there's plenty of room for a fighting chair or for storing loose gear such as coolers. A bait- prep center with sink is positioned for easy access, and a pair of lift-out fish boxes were standard. The 370's machinery space is reached via a centerline hatch, and for complete access the bridge sole can be raised at the push of a button. Below, the plush interior will sleep four with a double berth in the private bow stateroom, and a lounge to starboard that pulls out into a double berth.

"Spacial Lady" is owned and maintained by an experienced captain and therefore she shows well. The 370's have a solid fiberglass bottom with a 19.5 degree deadrise that makes for a comfortable ride in most sea conditions. This is a lot of boat for the money and a must see if you're looking for a Bahama cruiser or fishing platform.
