DETAILED INFORMATION

Specifications

The Bertram 46 Convertible was for many years the standard by which other production sportfishing boats her size were measured. Her popularity had much to do with the precise handling and impressive seakeeping characteristics of her deep-V hull, a proven rough-water performer with a wide beam and low cockpit freeboard. A popular model for many years after production ended in 1987, the Bertram 46 Convertible is widely considered a classic sportfishing design.
