SPECIFICATIONS

Overview

Preliminary Listing. Full Details to Follow.

Eagle Dancer is the most well equipped and upgraded Lagoon 420 currently on the market. She was setup for a circumnavigation. The seller was called back to work, and is now unable to cruise.

The boat is truly turn key, and ready to go.

Some of her key features include:

- New Raymarine Electronics with forward scanning sonar, AIS, and radar.
- Completely rewired electrical that allows the boat to be cruised anywhere in the world
- Watermaker
- Solar panel
- Wind generator
- Re-powered with upgraded Yanmars in 2013

***** US import duty not paid. Not for sale to US Citizens while in US Waters*****

Additional Description

- Priority has been accorded to comfort when designing the interior of the Lagoon 420.
- The light oak Alpi woodwork and the laminated wenge floor give a modern and relaxing feel.
- Access into the saloon from the cockpit through a sliding glass door on the same level.
- The saloon set with the varnished wood coffee table that can be swapped with the large wooden cockpit table (one big and one small table).
- The longitudinal galley opens directly on the cockpit. 3 ring gas hob, oven, fridge (2nd optional), numerous lockers, double sink... all features to make the galley a friendly and practical area.

Additional Description 1

The deck is uncluttered so moving around is easy: wide sidedecks, flush deck hatches, large foredeck, plenty of lockers. The aft passerelle allows passage from one transom to the other without going back up in the cockpit. There are many ways to enjoy life on board the Lagoon 420: the cockpit with its large benchseats and table, is protected from the sun and bad weather by a rigid bimini top; the foredeck is ideal for relaxing. The helm station was designed to enable a reduced crew to manoeuvre without difficulty: all the control lines can be handled by one person from the helm station, freeing the other living spaces for the guests.

Exclusions

Owner's personal belongings.
