SPECIFICATIONS

Overview

Here is a 2015 257 Fisherman. The boat is powered by twin Yamaha F200's with low hrs. The engines only have 268 hrs and warranty left over. The boat has been upgraded with new Garmin XD 4 open array radar. The boat also features new Marsh tacky carbon fiber outriggers. This boat needs nothing and is turn key ready. Get to the Bahamas safely with one of the best rides in the business. We listened to avid saltwater sport fishing customers and coastal recreation-loving families alike and as a result Grady-White's 25 foot Fisherman 257 center console sets a new standard for boat owner satisfaction. Topping the long list of must-have features are plenty of offshore sport fishing amenities, a comfortable head area, plus Grady-White's signature SeaV2 ride.
