SPECIFICATIONS

Overview

The construction of the 53 Express started in 2000 and was completed in late 2003. The idea was to create the Express layout with more power to reach speeds up to 40MPH. The boat was stripped down to bare hull (no decks, no house, no engines or wiring). Extra layers of glass were added to bottom chines & stringers. The bulkheads were also reinforced. In 2008, she had a major refit with AWL grip paint, sparking varnish, pipe welders, tower with hard top and buggy top with built-in LED lighting and teaser reels. In 2015, the majority of the electronics were replaced. The engines and generator were rebuilt and ZF transmissions and shafts were installed. All the water pumps, bilge pumps, and floats were replaced as well.

Basic Information

Category: Sport Fisherman

Model Year: 1990

Year Built: 1989

Country: United States

Dimensions

LOA: 53' 0" (16.15m)

Beam: 16' 6" (5.03m)

Max Draft: 4' 10" (1.47m)

Speed, Capacities and Weight

Cruise Speed: 30 Kts. (35 MPH)

Max Speed: 35 Kts. (40 MPH)

Water Capacity: 100 Gallons

Holding Tank: 40 Gallons

Fuel Capacity: 935 Gallons

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: MAN

Model: D2842LE404

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Bridge

- Furuno radar 1964cBB 72-mile open array
- Garmin 8200 series
- Airmar 165-C transducer
- Simrad auto-pilot
- Ghost security with GPS and cameras
- Furuno video plotter display
- Furuno RD30 to provide water temperature and depth
- Furuno network sounder
- Furuno VZ touch plotter
- ACR spotlight
- Teak flooring
- Ritchie compass
- Bridge AC

Tower

- Pipewelders tower with hardtop
- Hardtop has 6-man life raft mounted
- Recessed running lights, port and starboard
- Overhead spreader lights
- Fresh water wash down
