# SPECIFICATIONS

---

## Overview

---

**Fresh from yard 10/18**

**Bottom paint prop speed**

**Cutlass bearings**

**New Garmin plotter on bridge**

**New VHF on bridge**

**New trim tab pumps**

**New passarelle wood and hydraulics**

**New A/C unit**

Like her predecessors in the Azimut fleet, the 46 is built on a fully cored deep-V hull with propeller tunnels to reduce draft. Her two stateroom floorplan is notable for its comfort and meticulous workmanship. The salon is an ultra-stylish entertaining area surrounded by vast amounts of window space and beautiful high gloss cherry woodwork. Typical of European yachts, the galley is set below the salon level where it's hidden from view. The forward stateroom is particularly appealing with its walk-in wardrobe and opening windows (rather than portlights). A pair of sliding glass doors opens to the cockpit where molded steps ascend to the spacious, low-profile flybridge. Additional features include circular flybridge settees, a huge swim platform, anchor-wash system, and bow thruster.

Lady Nicolas is captain maintained and has received top notch service. Both engines and gen serviced in 2/18, including new raw water pumps, and belts. New a/c raw water pump and fresh water pumps in 10/17. A/C system flushed every 6 months. 9/17 bottom was sand blasted, epoxied, primed, and 3 coats of fresh paint, 4 on the water line!

## TURN KEY READY

The spacious, elegant salon is filled with light from the uniquely designed windows evoking waves at sea. The space is perfect for relaxation and the open galley invites socializing. The inside helm console has a sweeping futuristic sportscar design. The yacht comes beautifully finished in cherry wood and the finest Italian fabrics and leathers.

The Master and VIP staterooms contain walk-around double berths, numerous light-filling ports and skylights, ample stowage space and a walk-in wardrobe in the Master Stateroom. The two in-suite head compartments have stunning blue crystal counter tops.

From the cockpit, the molded steps gently rise to the flybridge above. The flybridge contains another nicely-designed helm station and plenty of additional space for entertaining and relaxing with guests.

With its elegant wood-trimmed interior, seamless onboard living area and abundant windows, the 46 Azimut provides a high level of comfort and incredible views underway.
