## Overview

---

Don't miss this opportunity to own one of the best equipped 2017 model Viking 62s!!

The Viking 62' is one of Viking's showpiece models in their line-up. The composite cored hull is resin infused with a high modulus of Dupont's Kevlar, carbon fiber and knitted fiberglass laminates selected to reduce weight while increasing the overall physical properties of the structure. Staying in line with this thought process (weight and strength), the 62 Convertible's interior stateroom and hanging locker doors, as well as cabinet fronts throughout the yacht incorporate honeycomb coring for further weight reduction.

## Basic Information

---

# DETAILED INFORMATION

---

## Accommodations

---

Walking into the salon is a delight to the senses and your first impression will be that you are aboard a much larger yacht. With nearly 19 feet of beam, the expanse resembles a stately great room, lush with individually chosen planks of random, natural teak each one featuring a tight, fine grain that defines the area with sense of richness and custom appointments. A home theater system includes a 50" flat screen television, which rises from the teak cabinetry and an audiophile Bose system. The serving island, a Viking innovation, is topped with custom granite, as are all of the counters in the L-shaped galley. The island is ideal for prepping meals at the dock or under way, and allows more freedom of movement throughout the area with two egress points. Drawer-style under counter refrigeration and world class appliances will bring smiles to even the most demanding chefs.

Four-stateroom layout, the two port staterooms share the port head. While all of the staterooms offer generous accommodations, including System #1 innerspring mattresses, excellent stowage and privacy, each has its own special take and is uniquely designed to maximize comfort and function. The forward stateroom offers a queen size walk around berth. The port stateroom has side-by-side berths and the fourth stateroom features upper and lower berths. The master stateroom is amidships with an athwart ships queen-size walk around bed, an upholstered headboard, flanking night tables, a credenza, a 32-inch flat screen television, and a pair of floor to ceiling maple-lined hanging lockers.
