SPECIFICATIONS

Overview

FNN represents the only 2013 **63' Marquis Sport Yacht** currently available on the market with European Power Specification.

Marquis Yachts is an American premium yachts manufacturer, who has been making its customers happy with its luxury high-speed yachts for more than 50 years already. The great status of this company has been acknowledged by World Yacht Trophy awards and several "Grand Prix" at the international boat shows in Monaco, Dubai and Miami. The uniqueness of Marquis Yachts underlines the fact, that each boat is assembled by hand. A great amount of focus is given to the interior and exterior designs and to the creating of ergonomic and comfortable living space. In addition, all the work is done by in-house specialists without any outsourcing and every manufacturing process passes strict quality control.
