DETAILED INFORMATION

Vessel Information

Walkthrough

Enter the salon from cockpit through air-operated sliding door. Large L-shaped sofa in ultra-leather material. All storage beneath. Teak coffee table. Forward on port side is the galley. Opposite the galley on the starboard side is the U-shaped dinette. Just inside the salon entrance door to starboard is the eye level electrical panel with a pop-up TV, and storage cabinet with wine storage. Just forward of entertainment center is a spiral staircase to the enclosed bridge helm. From galley enter forward section of vessel going down four steps. To starboard is a stacked washer and dryer with laundry soap cabinet. To port you go down three steps to the crew's quarters. Forward through hallway on starboard is a head and shower. Forward of this is a guest stateroom with over/under beds. Opposite on port side is the master stateroom with ensuite head. All the way forward is the VIP stateroom with ensuite head. There is also a very large walk-in storage room on the port side just forward of the galley.

- (2) 50 Amp Shore Power Cords w/ Glendinning Reels

Cockpit

The large cockpit is the popular mezzanine model with aft-facing raised seating for you and your guests to sit in comfort and watch all the fishing action or just relax at the dock and people watch. A large live bait well is built into the transom and there is a transom door. In the cockpit floor is a large fish box. On each side of the fish box is a large storage unit. The starboard unit serves as the ice locker and is fed by the Eskimo ice machine, to port is an additional bait well. A very large refrigerator/freezer box is built into the deck just outside the salon door. The cockpit also has a full size Blue Water Tuna Chair with an offset polished S/S pedestal. A ladder gives access to the aft flybridge from the cockpit. The transom has a detachable swim ladder for easy access from the water. There are storage drawers and under seating storage as well. A large freezer is on the port side. In addition to the four rod holders and two striker rod holders on the chair, there are four additional rod holders in the gunnels. Glendinning shore power cable masters on both port and starboard. Fresh water and salt water wash downs on port side. All cockpit handrails are white powder coated. The cockpit also features underwater lights - two aft and 2 pointing down. Two cockpit speakers under gunnels.
