SPECIFICATIONS

Overview

L'Esperance is a 28m Mangusta motor yacht built by famous Italian shipyard Overmarine in 2004 to MCA commercial standards. Previously named Regina Italis her luxurious interior is designed by Overmarine and her exterior styling is by Stefano Righini. Her already tasteful interior has recently been refitted by new soft furnishings and she can accommodate up to 6 guests in a Master suite, a VIP and a Twin cabin with a Pullman bed. There are two distinct large sunbathing areas aboard this stunning yacht: one on the foredeck, one on the aft deck. Her twin 2000hp MTU engines enable M/Y L'Esperance to a cruising speed of 27 knots and a top speed of 34 knots. She offers all the modern comfort one can expect from a super yacht and she is certainly the best option to discover many famous hot spots in the Med in a very short time. A must be seen yacht for an amazing deal!
