Hull Material: Fiberglass

DETAILED INFORMATION

Full Features

General Description

41' Beneteau 2003

This very well cared for 2 Cabin 411 has been updated with an extensive array of custom equipment making her ideal for cruising in California waters. Some of the added features include custom Arch/Davit/Radar Tower accommodating up to 12' hard bottom inflatable, two Solar Panels, Radar Dome, and antennas. A Hard Dodger was added along with heavy duty railing on the stern as well as heavy duty stainless steel cleats. For cold nights at the islands, a Webasto forced air heating system keeps the cabin toasty. For better sailing performance, the original mainsail was upgraded to a furling Neal Pryde Vertically Battened sail. All electronics were updated in 2013 and the latest generation Raymarine Quantum Radar was added in 2016.

Full Overview

Engines

Engine 1

Make: Yanmar

Model: 4JH3E (56 HP)

Type: Inboard

Year: 2003

Fuel: diesel

Hours: 1000

Drive Type: Direct

Specifications

Manufacturer Provided Description

The Beneteau 411, designed by the renowned Groupe Finot, exemplifies a true marriage of performance and beauty. With the bulb / fin keel, maximum stability and efficiency on all points of sail are achieved by her low center of gravity. The standard in-mast furling main and roller furling genoa provide efficiency and true ease of handling. The large cockpit with teak inlay seats is designed for maximum comfort and the pedestal console allows ample space to install electronics. There is also a dual-leaf cockpit table containing a large molded storage area and plenty of space to stow gear in the large cockpit lockers. The extra-wide aft swim platform and ladder, walk-through transom, and standard cockpit shower makes swimming easy and convenient. Both the two- and three-cabin layouts have roomy companionways, large cabins, and plenty of storage throughout, all accented with richly detailed cabinetry. Specially designed for serious cruising, the 411 nav station has a large chart table with additional locker storage underneath, as well as ample space for installing electronics. The deluxe forward owner's stateroom features a generous double berth and an upholstered port settee that is perfect for reading or relaxing. There is also private access to the spacious forward head with sink and shower unit. The galley is beautifully appointed with pressure laminate countertops, double stainless sinks, and loads of storage. The two-compartment refrigerator / freezer has top and side access, and the two-burner propane stove with oven will accommodate every culinary need.

Exclusions

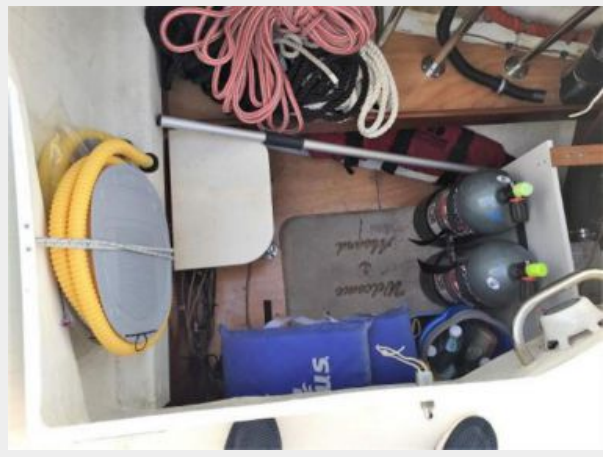

Owner's personal belongings.
