SPECIFICATIONS

Overview

Major Price Reduction, owner wants it sold.

Arquimides, The CNC 95' is a modern fiberglass semi-displacement yacht custom built in 2010. Characterized by topical and elegant lines, transom Stern, large continuous windows, metallic grey-bronze hull and Burma teak decks. Arquimides is outfitted with Caterpillar C32-1800 HP engines which at a cruise speed of 14 knots gives the possibility to range 780 nautical miles. For long range trips fuel consumption can be reduced and the cruising range can be doubled as long as speed is maintained under 12 knots. The maximum speed of Arquimides is 19 knots. The refined interior design has been planned by architecture studio Hot Lab in Milan with great detail and personality. The spacious interior offers scenic living, professional galley, luxury 5 star night area. Featuring four cabins accommodating eight guests and crew quarters for four. The large panoramic living area is furnished in a modern style and has custom wood cabinetry that give the area a rich feel alternating light surfaces, wood panels, metal elements and wenge parquet floors. The living area also features a day head accessible from the outside. The dining area located forward of the dinette features a large oval table signed by the designer Saarinen and Moroso seats and fully equipped with wine cellar. The master suite located amidship features king berth, ensuite head and portholes for natural illumination. The VIP Suite located forward features double berth. The guest suites located aft both features side-by-side double berths. All state rooms are equipped with SAT TV, DVD player and ensuite heads with mosaic designs and leather fittings. ARQUIMIDES, in a class of its own will surely draw the attention in any marina worldwide.
