SPECIFICATIONS

Overview

Outstanding opportunity with all new Raymarine electronics package and warranty. New Phasor 3.5 kw generator and new alternator. "Avion" has just had a new bottom job and wax to hull sides. Just relaunched and at her home dock.

"Avion" is an exceptionally well equipped vessel, having been purchased by the current owners one year from new. The electrical system will allow the vessel to operate with full power regardless of the location. You can run your AC while at anchor or underway!

The vessel was originally delivered with a shoal draft keel, At 5 ft. runs much shallower and was an option.

You will not be disappointed with "Avion" as she is ready to go and has been already updated with creature comforts.

All windows have been replaced and are new. Galley floor is new.

New Mac Pack mainsail storage 2012

Please see gallery, descriptions/full specs and walk through video. This is a "must see"!

Things to Consider

* Well designed carefree electrical system. * Yanmar 44 hp. main engine with only approx. 1875 operating hrs. * Very new 2017 Phasor Generator with approx. 39 hrs. * 180 WATT/110 amp. hrs. Solar Panels will keep batteries and frig. * New April 2019: bottom job. * New April 2019: Hull wax. * New 2019: 2000 watt Pure Sine Freedom inverter/charger. * New 2019: Alternator at 4 kw. * New 2019: Raymarine autopilot. (warranty) * New 2019: Raymarine RADAR scanner. (warranty) * New 2019: Raymarine Axiom Multifunctional Display. (warranty) * New 2019: Display has wifi. Can receive on devices. * New 2019: Raymarine wind instrument. (warranty) * New 2019: Raymarine depth indicator. (warranty) * New 2019: Raymarine speed log. (warranty) * New 2019: Wind direction pointer on mast top. * New 2019: Anemometer on mast top. * New 2019: Standard Horizon Explorer VHF with Ram Mike. * New 2019: Seataalk digital integrates electronics. * Dometic 16,000 reverse cycle is ice cold and has heat. * Lofran's electric anchor windlass. * 120 ft. of chain with 200' remainder being of nylon rode. * Bruce anchor at 35 lbs. and CQR (plow type) anchor at 40 lbs. * Heat exchanger heater from engine at 8000 BTU. * Folding steps on mast. * All running rigging is lead to cockpit for easy handling. * Portable Milwaukee electric winch driver. * Batteries: 2 4D AGM. One #31 AGM and one #28 AGM * Electro Scan toilet aft Cabin. Safe for discharge. * Hull, closets and cabinets Cedar lined 2007. * Forward and aft Heads refreshed 2016. * Galvanic isolation system prevents stray current corrosion. * All windows and hatch glass are new 2018. * New galley floor! * New Mac Pack sail storage 2012.

Brokers Observations

"Avion" is viewed as an excellent opportunity and worth every penny of her asking price. This vessel was marketed before and is now being Advertised for sale again at the same asking price. Hence the opportunity. During a lightning storm a telephone pole was struck on the owners street. It is thought that the power surge came into the vessel via the shore cord, which adversely affected some of the sensitive electronics. The seller has elected to replace all of the electronics with new and at the same time apply a new bottom and wax. A very large percentage of sailboats in Florida have sustained damage due to lightning. This almost without exception results in a better vessel once equipment has been replaced.

"Avion" is very clean and well cared for. I see many vessels and candidly see this as an outstanding opportunity.
