SPECIFICATIONS

Overview

PRICE REDUCED APRIL 2018

Not only is our 300 SLX one of the largest bowriders on the market, it's also one of the most attractive thanks to standards and options like two-tone vinyl, teak decking and twin sterndrives with Axius joystick maneuvering. This vessel is very clean and well taken care of by the owner. She has no bottom paint and has been rack stored since New. She should be at the top of your list of "must see boats".
