## Overview

---

Designed by sailors for sailors, the Kadey Krogen 38 is the ideal island hopper that's well adapt at slipping into protective anchorages yet able to take you blue water sailing. Her tandem centerboards draw 3'2" while up and over 6 feet when dropped. She's designed as an excellent upwind performer with solid directional stability. Rigged as a cutter, it is easily handled by a short crew and very versatile with a balanced helm on all points of sail.
