## Overview

---

White Queen is a 26.48 m / 86'11" luxury motor yacht. She was built by Canados in 2007. With a beam of 6.4 m and a draft of 2.13 m, she has a GRP hull and GRP superstructure. This adds up to a gross tonnage of 71 tons. She is powered by engines of 1800 hp each giving her a maximum speed of 33 knots and a cruising speed of 29 knots. The motor yacht can accommodate 8 guests in 4 cabins.

The elegant and refined interiors of the yacht clearly demonstrate their contemporary inspiration. Glossy maple and black-painted ash were selected for the furniture, white-painted parquet for the flooring and white leather for the sofas.

M/Y WHITE QUEEN is in turnkey condition. Rarely used by her owners, the captain has maintained the boat to the highest standards.

M/Y WHITE QUEEN recently underwent a major refit in 2014 and 2015 where all the interior has been upgraded and Gyro stabilizers have been installed .
