Manufacturer Provided Description

Ski with her, dive from her, fish from her, cruise to the islands or to campsites on the most remote lakes and bays - the Pursuit 2860 Denali is appropriate to it all. And in each role, complete comfort is possible, because this sport-utility boat is outfitted with a host of deluxe amenities. There's an integrated swim platform at the stern, and lounge seating atop the transom fish box, adding to the pleasure of entertaining in the spacious cockpit. The cabin is accented with teak throughout and features a teak table, Corian countertops, and custom interior fabrics. Other creature comforts include a deluxe ladder-back helm seat, a premium Clarion AM-FM cassette with four speakers, an icebox, a freshwater sink, and a fully enclosed china head. And because she's a Pursuit, the 2860 Denali is well-equipped for fishing. The integrated transom contains a freshwater sink, a 17-gallon fish box and cooler, and a raw water washdown. Built-in tackle lockers, four stainless steel rod holders, and a standard circulation livewell round

out the package. Choose Volvo Penta Duoprop or MerCruiser Bravo III sterndrives. Both come with a standard fire extinguisher system, and either will bring the 2860 quickly on plane. The instrumentation and control package is of the highest quality, while durability and low maintenance have been engineered in. There's a five-year warranty on the hull and deck, a two-year warranty on all parts and components, and a five-year warranty against gelcoat blistering. The 2860 Denali is designed, engineered, and built to provide years of pleasure in an offshore sports utility.

Exclusions

Owner's personal belongings.
