---

## Информация о двигателе

---

**Двигатели:** 2

**Производитель:** Volvo

**Модель:** TAMD74EDC

**Тип двигателя:** Inboard

**Тип топлива:** Diesel

# ПОДРОБНОЕ ОПИСАНИЕ

## Vessel Walkthrough

This revolutionary design turned the Motor Yacht world on its head. A three stateroom, two head layout below married to an express style bridge with molded-in seating and only one small step between the aft deck and helm deck. This 4450 is in excellent condition and very well equipped. She has a comprehensive electronics package and custom Isinglass enclosure that are in good condition. The bridge also features a wet bar and ice maker/refrigerator combo.

Molded-in steps lead from the bridge deck to the large integrated swim platform. The bridge will accommodate 12 adults easily.

Below decks is a unique 3 stateroom, 2 head arrangement. The salon features a L-shaped ultra-leather sofa with incliners and a raised booth style dinette that provides excellent visibility of your surroundings. The galley, salon and dinette are all on the same level for entertaining and comfortable living. The well-equipped galley comes completely equipped with convection microwave oven, full size refrigerator and separate freezer. The master stateroom features a queen size island bed and tons of storage space. The master head features a linen closet, vacuflush head, real ceramic tile and Jacuzzi tub with shower.

The VIP stateroom forward features a queen size centerline berth and large walk-in closet. The third stateroom has twin, side by side berths and the combo washer/dryer is located here.

The bow thruster makes docking a non-event!!!

## Salon
