**Manufacturer:** Volvo

**Model:** D-6

**Engine Type:** Inboard

**Fuel Type:** Diesel

# DETAILED INFORMATION

## Manufacturer Provided Description

With its beauty, space and performance, the Prestige 36 is an exceptional motorboat that cleverly exploits the creativity of its Italian designers, Garroni & Musio Sale, who are so often associated with the Jeanneau mark. The concern for comfort and the quest for optimum ergonomics can be seen in all of the minor details that make such a difference onboard: a wider sidedeck to port to facilitate access forward, integrated steps enabling the crew to pass from the cockpit to the flybridge in total safety. The latter includes two seats for the pilot and co-pilot, an L-shaped deck saloon with a round table and a vast sunbathing area. The choice of materials - the wood as well as the sophisticated fabrics - is particularly appreciable in the comfortable and very well-lit saloon. The motorboat's exceptional level of comfort can also be seen in the vast owner's cabin forward. By adding a fully-fitted bathroom, a guests' cabin and a very functional galley area, the Prestige 36 quickly becomes a particularly outstanding boat in its category.

## Additional Description 1
