SPECIFICATIONS

Overview

This excellent 56 Princess Flybridge was just traded to us on a larger vessel. She was professionally maintained and is in excellent condition with low hours and up to date maintenance. The Princess 56 Flybridge sets the bar by which all others are measured in contemporary style, elegance and performance. With a soft ride and spirited performance of 27 Kt Cruise and 32 Kt top end, you'll never be the last one back to the dock unless you want to be. This yacht is feature packed and comfortable to live aboard as well as operate. Built for the American market so you have peace of mind that this yacht has the proper size Tropical AC, serviceable appliances, and heavy duty electrical necessary for the American market and that your investment is supported by Princess USA and their dealer network. This yacht is priced to sell and won't last long.

DETAILED INFORMATION

VESSEL WALKTHROUGH

The Princess 56 is one of the most popular Princess models ever built. She features a sleek sophisticated exterior profile and uncompromising performance. With the optional 800 MAN common rail diesels this vessel comfortably cruises at a brisk 26-27kts and tops out close to 32. The exterior cockpit and Hydraulic swim platform feature beautiful teak decking, and the expansive flybridge has comfortable seating for up to 10 guests plus refrigeration and a wet bar/grill. Inside the salon the owners and guests are treated to an exquisitely finished designer inspired interior featuring fine fabrics, tasteful accents and satin finished walnut timber. The entire salon and galley area is surrounded by incredible views thru her oversize 360 degree panoramic windows. Her lower controls are expertly designed for form and function while guaranteeing comfort. Below decks you'll find a full beam master stateroom fit for a King & Queen, with private head, a centerline queen bed VIP stateroom forward, and a third stateroom to starboard with side by side single beds that convert to a full. All of these staterooms are tastefully decorated with designer bedding, pillows and fabrics as would be expected in a boat of this caliber and quality. There is also a single berth crew quarters accessed thru the aft of the boat. It is equipped with its own air conditioning system, head/shower combo, and window aft.
