Комплектация корпуса: Modified V-Hull

Информация о двигателе

Двигатели: 1

Производитель: Mercruiser

Модель: 5.0/V8 AlphaOne

Тип двигателя: Inboard

Тип топлива: Gas/Petrol

ПОДРОБНОЕ ОПИСАНИЕ

Manufacturer Provided Description

The family cruiser that tamed an ocean. Here is the boat that took the editors of Trailer Boats magazine on a 1200-mile voyage along the U.S. Pacific Coast, from the Canadian boarder to Los Angeles, and then 1600 more on a Gulf coast passage from Texas to Key West. A flawless demonstration of exceptional quality and sea kindly performance. The Bayliner 2452 Ciera Express is as tough as it is functional. The standard hardtop, innerliner cockpit and convenient transom boarding platform make this a versatile vessel. The roomy cabin space offers a large V-berth, convertible dinette, full galley and an enclosed head with marine toilet. Every Bayliner is designed and built to meet or exceed all applicable standards of the US. Coast Guard, and every one carries the certification seal of the National Marine Manufacturers Association. Everything from gelcoats to carpeting is subjected to extreme climate exposure and stress testing far beyond the limits of normal use. The biggest test comes when the hull meets the water the prototypes are put through grueling performance, handling and endurance trials. Hull strength, ride characteristics, fuel efficiency, engine performance and more are all scientifically evaluated. Bayliner seals the transom opening during the lay-up process. Most builders simply cut an opening through the transom of a completed hull, exposing stiffening end grain and inviting decay. No exposed wood means longer hull life.

Walkthrough - Bayliner Ciera Express 2452

Entering then boat from the starboard stern swim ladder & platform the aft cockpit is spacious and well designed for family fun or fishing. Plenty of room for deck chairs when your not reeling them in. The cockpit features integrated port and starboard rod storage racks as well as rod holders. A fish box is built into the transom and features a cutting board lid. A fresh water shower, next to the swim ladder, and the engine compartment are also found aft at the transom. Finally there are two removable transom seats that fit on either side of the engine box. Paired with cushions fitted to the top of the engine box, full beam transom seating is provided (Not pictured in place, cushions can be see in V-Birth pictures/video). A hard top covers the helm and seating area for the captain and first mate. NOTE: the boat comes equipped with a BIMINI TOP that covers the cockpit (NOT SHOWN IN THE PHOTOS/VIDEO). Storage compartments can be found under the passenger seat in the transom and under the deck, port and starboard. Built in steps on the port side allow access to the side deck leading to the bow. Entering the cabin, the head is to port and the dinette seating 4 is to starboard. Moving forward along the port side is the galley, featuring an Origo alcohol/electric stove, Compact Microwave, Norcold Refrigerator and Sink w/hot & cold running water. All the way forward is a v-berth. Ample storage is found throughout the

cabin under the dinette, v-berth and in the galley.

Cabin - Bayliner Ciera Express 2452
