SPECIFICATIONS

Overview

This lovely Monte Carlo 76 "AURORE" Motor Yacht is a very attractive and interesting model featuring some of the latest details, components and technology used in modern boat building. A Kevlar-infused hull, combined with carbon fibre detailing add lightweight construction techniques whilst fortifying the strength credentials of the boat, and Zeus pods combined with Joystick Control offer superior manoeuvrability and the bonus of frugal consumption at cruising speeds. The specification of this example is excellent and even includes a rear lazarette accessed through the opening stern door. With a carbon fibre opening hard top, and a sleek metallic sky-blue hull, the boat looks amazing, and the interior design is very contemporary and spacious. The boat has some innovative and special features and is in immaculate condition. A viewing will prove to any buyer that this is worthy of consideration. **Dimensions** Beam: 18 ft 6 in Maximum Draft: 5 ft 7 in Displacement: 43545 kgs Dry Load **Engines** Total Power: 2400 HP Engine 1: Engine Brand: Man Year Built: 2012 Engine Model: V8 1200hp Engine Type: Inboard Engine/Fuel Type: Diesel Location: Starboard Engine Hours: 1200 Engine Power: 1200 HP Engine 2: Engine Brand: Man Year Built: 2012 Engine Model: V8 Engine Type: Inboard Engine/Fuel Type: Diesel Location: Port Engine Hours: 1200 Engine Power: 1200 HP Maximum Speed: 27 knots **Tanks** Fresh Water Tanks: (1000 Litres) Fuel Tanks: (4000 Litres) **Electrical Equipment :**
