SPECIFICATIONS

Overview

"MARJOE II" has just received a new dark blue hull paint job, and is literally still in the paint shed as of this writing! Take advantage! Photos shown are of the actual boat, but with her dark green hull. This yacht represents a very fine opportunity for anyone in the market for the "Flagship" of the Back Cove line without the wait. The owner has thoroughly enjoyed the boat, and offers her for sale to move into a larger yacht. She is powered by a single Cummins QSC 8.3 600 hp engine with about 305 hours, which pushes the boat at an easy 22-24 knot cruise. She comes with a bow thruster, stern thruster, Ocean Air blinds, dual racors, SureShade system, Lenco Autoglide trim tabs, mast for hardtop, Inverter, Back Cove Cruise package option, Ultraleather fabrics, teak decking in cockpit and swim platform, bow fresh water washdown, oil changing system, Magnum Inverter, windlass with stainless CQR anchor, custom windshield covers, custom cockpit seating canvas, Satellite TV system, and an incredible GARMIN electronics package with twin screens. This boat is loaded and is available immediately. Currently located in Oxford, MD until paint job is completed in early April.

Basic Information

Category: Motor Yacht

Model Year: 2015

Year Built: 2015

Country: United States

Dimensions

LOA: 41' 0" (12.50m)

Beam: 13' 10" (4.22m)

Max Draft: 3' 7" (1.09m)

Clearance: 12' 7" (3.84m)

Speed, Capacities and Weight

Cruise Speed: 22 Kts. (25 MPH)

Max Speed: 26 Kts. (30 MPH)

Displacement: 27000 Pounds

Water Capacity: 160 Gallons

Holding Tank: 55 Gallons

Fuel Capacity: 400 Gallons

Accommodations

Total Cabins: 2

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Deep Vee

Hull Color: Dark Blue

Engine Information

Manufacturer: Cummins

Model: QSC8.3

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

It is hard to find any other 40'ish Downeast-style boat that offers such roomy accommodations as the Back Cove 41'. Her galley-up layout makes room for two staterooms and two heads- a very uncommon find in a yacht such as this. Entering the cabin from the teak-decked cockpit, there is a large convertible "U-shaped" dinette to starboard. This dinette not only converts into a double berth, it also can easily be converted into a fore-and-aft facing "true" dinette- it all depends on the owner's preference on any given day. Forward to starboard is the raised helm station with twin Stidd chairs. The helm area also features a side door to the deck, and a large "basement" below with more storage than necessary. To port is the straight galley aft, with an "L-shaped" settee (also raised) forward. Such a great use of space! Below to port is the guest stateroom which features an athwartships double berth, hanging locker, drawer storage, natural overhead lighting, and private "wet" head. Forward at the bow is the master stateroom. This space is quite large, and features a centerline queen berth with storage beneath, a large hanging locker, plenty of drawer storage, overhead hatch with screen and shade, flat screen TV with DVD player, and private entrance to the master head. The master head is quite roomy and includes a stall shower, vanity with sink and storage, and natural lighting. The cabinetry is a beautiful cherry wood, while the cabin sole is a "teak and holly" high pressure laminate with surface texture, which is very hard to damage. Back Cove really hit the nail on the head with this layout!

Electronics Package

"MARJOE II" comes outfitted with a complete Garmin electronics package, which includes:

- Two (2) Garmin GPSMAP 8000 series screens (radar/chart plotters, etc)
- Two (2) Garmin GHS 10 VHFS (mounted on both sides of console) with speakers
- Garmin Autopilot
- Garmin digital depth/speed
- Cummins Smart Display (digital engine guage)
- Satellite TV system (there are 2 flat-screen TVs- one in master and one in salon)
- USB port
- DC electrical outlets (one at helm and one in master)

Galley

The straight galley is quite functional, yet takes up very little salon space. There is an

abundance of drawer and under-counter storage, as well as several overhead cabinets on both sides of the salon. (see photos) The galley equipment consists of:

- Two (2) over/under Isotherm refrigerator drawers
- Isotherm freezer drawer (beneath helm seats)
- Kenyon 2-burner electric stovetop
- Franklin Chef convection microwave
- Stainless sink
- Built-in rubbish bin in solid-surface counter

Options

- Hull painted dark blue March/April 2018
- Dinette, settee, and Stidd chairs in Tusk ultraleather
- Cockpit Seat cushions in Sunbrella Cyprus Lakeside
- Mattresses in standard ticking
- Cruise package
- SureShade system
- Teak decking on swim platform, cockpit sole and steps
- Oil change system
- 2800 Watt Inverter/charger
- Mast for Hardtop
- Fresh water washdown- forward
- Lenco Autoglide trim tab system
- Ocean Air Blinds on side windows
- Ocean Air Blinds on Aft Window and Bi Fold Door
- Custom windshield cover
- Custom cockpit seating covers

Mechanical and Electrical

- Cummins QSC 8.3 600hp diesel engine (305hrs)
- Onan 9kw diesel generator
- ZF gear
- Dripless shaft seal
- Dual Racor system
- Automatic fire suppression system
- Battery charger
- Inverter/charger
- Galvanic Isolator
- 4-bladed NIBRAL propeller
- Bow and stern thrusters

- Electric window- aft salon
- Two (2) air conditioning systems in salon, Two (2) below
- Overhead hatches with screens and blinds
- Cablemaster with 50 amp shore power service
- Three (3) windshield wipers

Exclusions

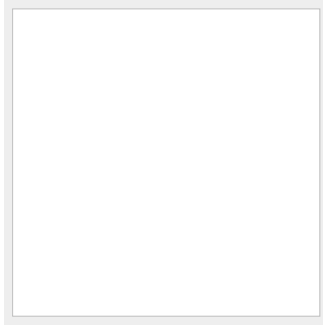

Owner's personal belongings.
