SPECIFICATIONS

Overview

The 2870 CC is built to run offshore. This solid well built boat will fish inshore to offshore waters. With only 750 hours on the Yamaha 225 Four Strokes this fishing machine is ready to go. Well designed cockpit and storage for rods and gear allows this boat to easily fish in the canyons. The large head in the console is stand up with a fixed and head and vanity. A must see if you are looking to move up to a solid built boat that will get you offshore efficiently at a 35 kt cruise @ 25 GPM - 1.5MPG.

*****Boat is clean. Pictures were recently taken when the shrink wrap was removed. Spring detailing will be completed.*****
