SPECIFICATIONS

Overview

Fishermen will appreciate the 70-square feet of cockpit space with coaming bolsters, a cutting surface for rigging baits, removable fish box, and wet bar. Up at the helm, the windshield top is high for good protection and there is an electric windshield vent and power helm seat. In the cabin, the salon sofa serves as a dining table and quickly converts into a double berth, and the backrest also flips up to make a Pullman-style berth. The galley comes complete with fridge and freezer, microwave oven, and two-burner stove. The head compartment is also centrally located for easy access. With a 13'3" beam and 6 ½ feet of headroom, she is a big 35-footer.

Basic Information

Category: Cruiser

Sub Category: Express

All fuel consumption numbers are the total for all engines in the boat. Speeds are measured with Stalker ProSports radar gun or GPS. Fuel consumption (gallons per hour) measured with Floscan digital fuel-flow meter or by on-board factory-installed diagnostic instruments. Range is based on 90% of published fuel capacity. Sound levels determined using Radio Shack digital decibel meter on A scale. 68 dBA is the level of normal conversation. Time to plane is measured from start of acceleration to formation of rooster tail behind boat.

Exclusions

Owner's personal belongings.

Disclaimer
