SPECIFICATIONS

Overview

The 28 is a machine totally designed and precisely built for one purpose: Offshore trophy fishing. Twin inboard Volvo diesel power that delivers a precise combination speed and economy, with the added benefit of Weight and Balance that comes with twin inboards. Generator and HVAC, plus a cabin with six feet of head room. V-berth with filler. Galley with microwave, sink, refrigerator and table. Full walk-in electric head with shower. And storage areas throughout. Best of all is how easy she is to maintain. The dry, oversized engine compartment provides roomy access to the hydraulics, generator, pumps and batteries. The bilge runs in a tunnel underneath the gel-coated engine room, so all vital mechanics stay dry and clean. The air intakes are high above the sheer to keep corrosive salt spray out. Even the cabin walls are finished gel so they can be easily cleaned and kept free of mildew. The 28 is complete. There's a very short "extras" list. The most popular is the command tower, which encloses the lower helm station and provides a complete second station above.

Basic Information

Category: Sport Fisherman

Sub Category: Express

Model Year: 2005

Year Built: 2005

Country: United States

Dimensions

LOA: 28' 0" (8.53m)

LWL: 26' 0" (7.92m)

LOD: 28' 5" (8.66m)

Beam: 10' 6" (3.20m)

Min Draft: 2' 4" (0.71m)

Max Draft: 2' 6" (0.76m)

Clearance: 12' 0" (3.66m)

Speed, Capacities and Weight

Cruise Speed: 24 Kts. (28 MPH)

Max Speed: 29 Kts. (33 MPH)

Displacement: 13500 Pounds

Water Capacity: 30 Gallons

Holding Tank: 12 Gallons

Fuel Capacity: 210 Gallons

Accommodations

Total Cabins: 1

Total Berths: 2

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Deep Vee

Hull Color: White

Engine Information

Manufacturer: Volvo

Model: KAMD300A

Engine Type: Inboard

Fuel Type: Diesel
