# DETAILED INFORMATION

---

## Remarks

---

JET STREAM is a very special 42' Bertram. She has been set up and used for Bahamas cruising. With her opening windows and ports, inverter system, watermaker, etc. she is able to remain at anchor in secluded locations with only three to four hours per day of generator use. With the 20 GPH watermaker you have an almost unlimited supply of water for showers and wash downs while enjoying anchorages - instead of marinas.

A visit to the yacht will reveal an updated interior, new generator, updated electronics, rebuilt main engines, new rub rail, tender and davit, etc., etc.

Seriously for sale and available at a much more reasonable price than buying a "fixer upper" and doing the work yourself.

She is ready to go now!

## Vessel Walkthrough

---

Entering JET STREAM is via over the gunwale or onto the swim platform and through the transom door into the 108 square foot Cockpit. A full array of custom Glasstech fiberglass built ins are forward. Slightly offset to port is the Salon entry door, one step up. Inside the Salon, immediately to port are two barrel chairs. Opposite is a sectional sofa with a high low table in front.

Down two steps to starboard is the partially open Galley with a full stand up fridge/freezer and updated appliances. Forward to port is the Master Cabin with a queen size bed and access to the yacht's full Head with stall shower.

All the way forward is a Guest Cabin in a Vee berth style with its own access door to the Head via the Center Companionway.

Engine Room access is via a hatch in the Salon sole. The large Flybridge has a full suite of newly updated electronics and a bench seat forward.

## Salon

---

The Salon is one step up and accessed via a sliding door. The sole of the Salon has recently been covered with Amtico planked wood look flooring.

Immediately to port are two white swivel chairs with six cabinet doors outboard for storage with the center two housing the yacht's electrical panel.

To starboard is an L shaped settee with storage below. In front of the settee is a Pompanette oak bifold hi lo table.

All the way forward is the yacht's entertainment center with a Samsung 26" LED TV behind a tambour door outboard, a Denon AV receiver and Sony DVD VHS player behind another tambour door and a sliding cabinet for storage of DVD's, etc. Below are two sliding cabinet doors for bottle storage and two stereo speakers.

Also in the Salon are large side and aft windows covered with off white mini blinds, four brass LED overhead lights, a table lamp and a throw rug.

---

## Galley

---

Down three Amtico covered steps in the Galley on the starboard side. The Galley is L shaped and has the following equipment:

Sharp Carousel microwave (newly installed) Stainless steel sink Delta pullout spray faucet (newly installed) 2 Burner True Induction cook top (newly installed) Princess oven Exhaust fan GE Fridge/freezer (newly installed) Spice rack/storage behind hinged door (5) Oak drawers One oak cabinet (2) Sliding storage cabinets w/dark plexi Large locker forward of refrigerator w/cabinet below Hinged storage under bottom step Amtico flooring Large forward windows above w/Textulene cover Garbage disposal

---

## Master Cabin

---

Just forward of the Galley to port is the Master Cabin accessed via a sliding pocket door. The Amtico flooring continues forward.

The double berth is outboard with the upholstered headboard aft with mirrors above.

Outboard is a shelf with two opening portholes and full drapes and rope lighting.

Under the berth are six small drawers. Inboard is an auto lit hanging locker with a shelf above.

A soffit over the berth has two LED lights. Also in this cabin are AC controls and newly wallpapered bulkheads.

---

## Head

---

The yacht's Head is accessible from both the Master Cabin and the centerline Companionway.

The sole is Amtico planked flooring. The Head is a Galley Maid electric model with an auto flush timer. The vanity has two sliding cabinets and a drawer below.

Above is a China sink, newer faucet and four sliding mirrored medicine cabinet doors.

The stall shower has a tempered bifold glass door, a seat, a light and a handheld or wall mountable fixture.

Overhead is a ventilation hatch.

---

## Forward Cabin

All the way forward in the vee is a private cabin with two vee berths. The hull sides have newly installed hull liner. Above each berth is a small shelf as a nightstand. Each berth has a teak reading light.

Below the berths are six drawers and two hinged cabinets.

Forward is the anchor locker access in a newly mirrored bulkhead.

Aft of the starboard berth is an auto lit hanging locker.

Above is a deck hatch for ventilation. The sole is carpeted.

---

## Foredeck

Fiberglass nonskid deck Stainless steel full bow rail Custom fiberglass bow pulpit Lofrans above deck windlass w/weather cover Up & down foot switches for windlass 48 lb. Rocca Vulcan anchor w/all chain rode Spare Fortress anchor mounted on bow rail Separate anchor rode & deck pipe for spare anchor (2) Hinged raised deck hatches at cabins International Navigation lights 600 lb. Steel Head davit Custom fitted tender chocks & tie downs Nautica 11' RIB tender w/15 HP Yamaha 2 stroke outboard Dual spring line cleats Forward windshield cover (removable) white Textulene Port & starboard handrails at house sides Entire rub rail replaced with vinyl & stainless steel for better appearance. Old aluminum rub rails had corrosion issues.

---

## Cockpit
