SPECIFICATIONS

Overview

"Second Love III" was purchased new by Ross Swygert and has stayed in the family since new. She was built with the same options as Hatteras Yachts demonstrator yacht HATTERASCAL in 1979. She has had many upgrades over the years including repowering her with QSM11 Cummins, Northlights generator, Glassing in the front windows, Framless side windows, Shaft Tubes, Custom Marlin Tower, Custom fish box and a full Awlcraft paint job to name a few. Her QSM11s push her easily at 26 kts burning 45 GPH.

The family also owns Ross Marine, the Southeast's premiere yacht repair facility, and her condition reflects the family's quality workmanship. She has won multiple SC Governor's Cup Tournaments through the years and continues to raise fish!
