DETAILED INFORMATION

Overview

This Pilothouse Motoryacht with three staterooms accommodates 6 guests, plus up to 3 crew, in three cabins. Complete custom build combining the pedigree of Nordlund Marine and Ed Monk, along with design features by an owner with tremendous hands-on experience. State-of-the-art construction with infused, cored-hull and mono-piece superstructure with carbon fiber reinforcements reduces weight aloft and increases efficiency. Outstanding exterior decks, including "California Deck" Cockpit with molded steps to Aft Deck and integral Swim Platform. Enclosed Pilothouse provides comfortable cruising in all weather conditions as well as providing an outstanding "upper" Salon / Galley is stunning both in execution and visually large windows, uncluttered, expansive countertops, tremendous storage. Technical and engineering spaces are second to none, with separate utility/workroom, Lazarette, and spectacular Engine Room, all showing "as new", overall condition is impeccable; from the bilges to storage lockers, Lazarette, and throughout, this is how every yacht should be maintained. Easily handles by minimal crew, one Owner and two Captains since new. All service protocols are up to date. Complete paint job by Luu Marine (2013 - "Awlgrip Stark White")

Walkthrough

Boarding "*Phantasma*" from the wide, integral swim platform, molded steps port and starboard lead up to the California Deck Cockpit, complete with live baitwell, storage, shore power cords and access into the Lazarette/Utility Room through a door in the Transom. Another set of molded stairs port and starboard accesses the Teak soled Aft Deck, offering built-in seating aft with a large table and additional chairs, ideal for Al-fresco dining, lounging, and entertaining. A ladder provides access to the Boat Deck and there are boarding gates port and starboard. Generous side decks lead forward, with deck head lockers for fishing gear and brush poles, as well as concealed storage for the boarding and swim ladders. The Fore Deck offers large storage lockers, and settee, along with uncluttered access to ground tackle and anchoring systems. Entering through the sliding door aft, the main Salon provides the ideal blend of comfortable livability, featuring beautifully crafted joinery of Mahogany and pear woods and designer fabrics. An oversized sofa, with occasional chairs and coffee table to port offers a comfortable respite from your travels, while an intimate gaming/breakfast table, with four chairs is to starboard. An entertainment center and bar are concealed in cabinets in the aft corners of the main Salon, while additional storage is provided in the cabinetry below the expansive windows. The main Salon is separated from the Galley/Dining area by a Day Head and Pantry to port and a large locker with roll out exercise bike to starboard, which also conceals the bespoke stairwells and stairwell to

the lower Guest accommodations below and enclosed Pilothouse and Skylounge above. The Galley/Dining area is sure to please all, with loads of windows, expansive stone countertops, generous storage lockers, and doors leading to port and starboard side decks. An island bar contains the range, wine fridge and storage, while the hullside cabinetry houses the dishwasher, double stainless steel sink, and range, along with loads of storage. The counter curves along the forward bulkhead with additional storage below and cabinetry above, cleverly concealing a microwave, toaster, and Brewmatic coffee maker with water supply. To starboard is the dining table with banquette seating and four chairs, with additional storage and counter space forward. Crews Quarters is located forward of the galley/dining area, accessed through double doors and down a stairwell, providing two cabins for up to four crew, along with a large bathroom with stall shower. The Guest accommodations Foyer offers a stacked washer/dryer & generous storage areas, with the full-beam Master Stateroom full forward, featuring a bespoke, custom centerline King berth with nightstands, two large hanging wardrobes, generous drawer storage, and vanity. His & hers en-suite baths are forward. Two identical Guest Staterooms are aft off the Foyer, each with two oversized twin berths, nightstand, hanging wardrobe, and en-suite bath with stall shower. The Pilothouse/Skylounge is accessed via the stairwell from the Galley, permits comfortable and safe cruising in most any weather, with a forward helm console & multiple screens for navigation, cameras, radars, and all navigation and communication hardware. Visibility is outstanding and doors port and starboard access wing stations for ease of maneuvering in close quarters. Twin Stidd helm chairs, with a console between concealing radio mic and autopilot controls, charting station, and numerous drawers create convenience while cruising. Immediately aft is the entertainment center with large screen TV and bookshelves, along with L-shaped sofa & coffee tables aft to port, with ship's office across to starboard. The Boat Deck aft offers molded cabinets with storage, sink, and BBQ grill to port and large sun pad to starboard with storage below. A hatch in deck leads to the Aft Deck via a ladder, and the tender is stowed athwartship aft, serviced by the Steelhead Davit. The engineering and technical spaces of the yacht are truly spectacular! From the well-thought placement of equipment, serviceability, and the many custom features incorporated by builder and Owner, "**PHANTASMA**" will meet, and exceed, your highest expectations.
