SPECIFICATIONS

Overview

The 80' Sunseeker Yacht series shares the same characteristics of her bigger siblings such as higher bulwarks and zero speed fin stabilisers, but still at a point where owner operations is a practical reality..

At sea the 80 Yacht perfectly demonstrates the Sunseeker pedigree of soft riding through waves, agile turning ability with swift, precise return and a stable performance in following seas, so often the weak spot with other constructors.

This yacht has every option You Seek:

- **US Flag - Duty Paid**
- **Watermaker**
- **Trac stabilizers**
- **FLIR Nightvision**
- **Cockpit TV**
- **GOST monitoring**
- **Hard Top**
- **Electric Sun Roof**
- **Hot Tub**
- **Teak Flybridge**
- **Hydraulic Passerelle**
- **Ugraded galley Refrigeration**
- **Electrically operated crew door**
- **Furuno Nav/Weather/Radar, SatPhone, HD TV (7 TV's and DVR's)**

DETAILED INFORMATION

The "Seas the Day"

The 80' Sunseeker Yacht series shares the same characteristics of her bigger siblings such as higher bulwarks and zero speed fin stabilisers, but still at a point where owner operations is a practical reality..

At sea the 80 Yacht perfectly demonstrates the Sunseeker pedigree of soft riding through waves, agile turning ability with swift, precise return and a stable performance in following seas, so often the weak spot with other constructors.

This yacht has every option You Seek:

- US Flag - Duty Paid
- Watermaker
- Trac stabilizers
- FLIR Nightvision
- Cockpit TV
- GOST monitoring
- Hard Top
- Electric Sun Roof
- Hot Tub
- Teak Flybridge
- Hydraulic Passerelle
- Ugraded galley Refrigeration
- Electrically operated crew door
- Furuno Nav/Weather/Radar, SatPhone, HD TV (7 TV's and DVR's)

Construction

- Hand-laid GRP
- Gel coat including stripes
- Vinylester skin coat with powderbound mat
- Stitched multi-axial reinforced single skin bottom
- Balsa cored hull topsides
- PVC foam cored deck and superstructure
- Hull stiffened with longitudinal stringers supported by transverse bulkheads and floors

Flybridge

- Self-draining Teak cockpit
- Acrylic deflecting spray screen
- Seating areas
- Storage lockers under seating
- Teak dining tables (natural finish)
- Upholstered sunbathing area forward
- Stainless steel aft safety rails
- Glass holders
- Wet Bar unit
- Sink in wet bar unit
- (2) Fridges in wet bar unit
- Ceramic electric griddle in wet bar unit
- Fire extinguisher
- Deck Wash outlet
- LED flybridge lighting Upgrade
- Radar arch structure and Hard Top
- Radar chair with navigation light assembly
- Overhead lighting on underside of radar arch 24v
- Two pairs marine speakers (connected to dedicated CD/radio in saloon and controlled by remote keypad at flybridge helm)
- Flagstaff and socket

Additional Upgrades

- Flybridge GRP hardtop, including retractable centre canopy. Canopy colour Black
- Spa Tub has own water heater, Custom padded top, and teak step
- Flybridge Cockpit Teak Decking
- Painted Flybridge screen frame powder coat matt black instead of stainless steel (anti-glare)
- Single backrest with three adjustable folding positions for the flybridge sun pad.
- Wet bar lids have upgraded gas struts
- All exterior seat and sunbathing cushions made with reticulated foam
- All Deck wash outlet valve/taps, increase in size to make turning on and off by hand easier
- Wet Bar inset top to be Black Glass polished finish
- CCTV Camera system: two infra-Red cameras in the engine room. Stern docking camera located on the radar chair facing aft. Linked to the Furuno Navnet 2 displays. Cameras linked to the Furuno displays on the Flybridge and main helm along with all TV's on the boat.
- CCTV cameras and FLIR call all be accessed via Internet via GOST
- Ceramic Grill - Gaggenau BBQ grill upgrade in lieu of standard
- Additional refrigerator in lieu of standard ice maker
- Electronic portable engine controls with plug in extended lead. Two plug in

positions required, one in the Cockpit and the other on the Flybridge

- 2.4 meter Whip Aerial for FM Radio to match VHF Aerial on Radar arch
- Additional AC 110v double socket mounted on the side of wet bar
- Closable hatch for the access from lower decks to flybridge deck
- (2) - 8 MAN canister liferafts on hydro release cords on stainless steel brackets

Flybridge Helm

- Two helm seats
- Hydraulic steering
- Duplicate engine controls
- Analogue engine instrumentation
- Autopilot repeater
- Radar/chart plotter with GPS repeater
- Depth and speed multi display
- VHF second station - Icon
- Remote spotlight control
- Magnetic compass
- Black powder coat windshield trim (eliminates reflection/glare)
- Steering indicator
- Trim tab control
- Horn control
- Radio/CD remote keypad
- Waterproof plug and socket 12v
- Triple Kahlenberg Chrome Horns

Additional Items:

- Furuno Navnet 3D Dual MFBB system (with keyboard at Helm) with 2 x 19" KEP colour monitors on the lower console and 2 x 17" Furuno monitors on the Flybridge console and a 4ft 6kw open scanner and GPS antenna in lieu of standard
- VHF 2-UHF radio stations
- Trac Remote control Pad
- Digital fuel gauge on the Flybridge console (the same type as fitted on the main helm)
- Furuno Sounder option with transducer connected to the Navnet 3D displays
- CCTV Camera system: All cameras linked to the Furuno displays on the Flybridge and main helm along with all TV's on the boat
- FLIR pan and tilt thermal imaging camera with controls mounted at the main helm and on the flybridge console

Deck

- Fittings all in 316 stainless steel and chromed bronze
- Pair stainless steel bow cleats and fair leads
- Stainless steel spring cleats with chafing bars
- Pair stern cleats and fair leads
- Stainless steel pulpit and cockpit rails
- Stainless steel fendering with rubber insert
- Stainless steel bow roller with anchor stop and devil's claw
- Single electric windlass (Lewmar V8) 24v, starboard side, foredeck control only
- Anchor 80kg (galvanised)
- Anchor chain 100 metres/328 feet (12mm diameter, galvanised)
- Stainless steel bow plate
- Freshwater Deck Wash with outlets forward and aft

Additional Upgrades:

- Furuno Sirius Wx weather receiver BBWX1, including water temp (B774V) and air temp sensor
- All exterior seat and sunbathing cushions made with reticulated foam
- All cushions are Sunbrella water shedding fabric-no covers needed
- All deck wash outlet valve/taps, increase in size to make turning on and off by hand easier
- Automatic freshwater anchor wash

- Sprung mattress for Queen bed
- Dalscouple 4mm Black Rubber Flooring
- Black out roller blinds with side tracks (with black fabric) for Master & all guest cabins
- AC 110v double outlet inside the vanity unit and a double fitted above the vanity unit
- Vanity replaced by desk with power outlets

Master walk-in wardrobe

- Hanging rails
- Shelves
- Halogen overhead lighting 24v
- AC socket
- Door to stateroom

Additional Upgrades:

- Safe - 2 brick - with Digital lock
- Dalscouple 4mm Black Rubber Flooring
- Vanity top is black glass

Starboard guest cabin

- Two single berths
- Under berth stowage
- 2 x reading lights 24v
- Wardrobe
- Air conditioning
- Halogen overhead lighting 24v
- Porthole with blind
- Double AC socket
- LCD Flat Screen television (19") DVD/CD player with two speakers
- Doors to en suite and lobby

Additional Upgrades:

- Upgraded mattress for the two single beds
- Black out roller blinds with side tracks (blackout shades)
- 3 x Removable and height adjustable shelves fitted in the cabin wardrobe

Starboard guest en suite-day head

- Two single berths
- Under berth stowage
- 2 x reading lights 24v

- Wardrobe
- Air conditioning
- Halogen overhead lighting 24v
- Porthole with blind
- Double AC socket
- LCD Flat Screen television (19") DVD/CD player with two speakers
- Doors to en suite and lobby

Additional Upgrades:

- Upgraded mattress for the two single beds
- Black out roller blinds with side tracks (blackout shades)
- 3 x Removable and height adjustable shelves fitted in the cabin wardrobe

Port Guest Cabin

- Two single berths
- Under berth stowage
- 2 x reading lights 24v
- Wardrobe
- Air conditioning
- Halogen overhead lighting 24v
- Porthole with blind
- Double AC socket
- Flat Screen television (19") DVD/CD player with two speakers
- Doors to en suite and lobby

Additional Upgrades:

- Upgraded Sprung mattress for the two single beds
- Black out roller blinds with side tracks (blackout shades)

Port guest en suite

- Tecma toilet 24v
- Black glass Vanity top and flooring
- Washbasin
- Taps and accessories (Toothbrush and glass holder, soap dispenser, towel rails)

and towels)

- Separate shower compartment
- Acrylic folding shower door
- Extractor fan
- Air conditioning outlet
- Vanity unit

- Alpine DVD/CD/MP3/Radio tuner DVA9861Ri linked to cabin TV with stereo cabin speakers in- lieu of standard
- Washer/Dryer combo unit
- Electrically operated crew door

Starboard crew cabin

- Large double berth
- Foam mattress for berth
- Reading lights 24v
- Air conditioning

- Halogen overhead lighting 24v
- Double AC socket
- CD/radio with two speakers
- Opening porthole with mosquito screen and curtains

Additional Upgrades:

- Blackout roller blinds fitted
- Air Conditioning air handlers upgraded to quieter running AHDC units
- Air Conditioning - Upgraded to Tropical specification
- Vanity cover is black glass
- Mirrored cabinets

Port crew cabin

- single berths
- Foam mattresses for berths
- Reading lights 24v
- Air conditioning
- Halogen overhead lighting 24v
- Double AC socket
- Opening porthole with mosquito screen and curtains

Additional Upgrades:

- Air Conditioning - Upgraded to Tropical specification
- Air Conditioning air handlers upgraded to quieter running AHDC units
- Additional AC 110v double socket mounted at the back of dressing table on vertical face of window shelf
- Blackout roller blinds fitted

Crew toilet, shower

- Tecma toilet 24v
- Washbasin
- Shower cubicle with bi-fold shower door
- Mirror
- Vanity unit
- Halogen overhead lighting 24v
- Shaver socket 240/110v

- Doors to crew lobby and engine room

Additional Upgrades:

- Hansgrohe Taps & Accessories have Satinox finish

Engine Compartment and Ancillaries

- Soundproofing throughout
- Fuel filters/water separators to engines
- Fuel filters/water separators to generators
- FM200 manual/automatic fire extinguishing system combined with engines, generators and fans shutdown
- Automatic bilge and flood pumps with high level alarms
- Air extraction fans-AC
- Generator exhaust silencers and water separators
- Engine exhaust dry risers and water injection
- Strainers to all raw water inlets

Additional Upgrades:

- **Twin MAN 1800's**
- Electrical - Seamless Transfer
- Standby Air con Pump installed with switch over
- Oil change system for engines gearboxes and generators
- Standby fresh water pump - fitted using separate pick-up and strainer from tank feeding separately into main water circuit
- Engine Room ladder to be hinged at the top, so it can be folded up and out of the way. The width of the steps increased to 300mm
- 2 Racor 'Glass Bowl' fuel filters fitted in-lieu of standard with change over lever between primary and secondary
- Water Maker HRO Seafari SFC 1400-2 (5300 lt/day) including commercial pre filter, freshwater flush and oil/water separator
- 110v AC lighting in addition to the standard 24v lighting
- Two 110v AC GFI outlet
- Twin storage cages above engines
- Incandescent and fluorescent lighting
- Compressor
- Dual water pumps
- Dual AC pumps and AC Flush system

Electrical Systems

- AC is tropical spec upgrade
- Dockside AC connection 1 x 100amp with Additional Bow outlet
- Glendinning cable master
- Aft and Bow shore power control
- Galvanic isolator
- Semi-automatic AC power management system
- 24v and 12v DC electrical system with full circuit breaker protection
- 8 x engine batteries 24v circuit
- 8 x domestic batteries 24v circuit
- 2 x generator batteries 12v circuit
- Alternator split charging system
- Remote battery switches controlled from aft cockpit locker
- 2 x 95 amp battery charger for 24v circuits
- 70 amp battery charger for 12v circuits
- Immersion heater for Hot Water Tank
- AC sockets throughout the boat
- 24v hand light and cable
- Fire detection system with sensors and monitoring beside main helm position
- Inverters for the TVs and Fridge

Underwater Gear

- NAB 5 blade propellers
- Spare props
- Bronze (MB2) P-brackets
- 90mm Temet 25 propeller shafts
- Self-aligning shaft seal with spare seal
- High-performance bronze rudders
- Valves to all underwater skin fittings
- Full cathodic bonding system to zinc anodes
- Stainless steel trim tabs
- Hydraulic bow thruster
- Hydraulic stern thruster
- Antifouling

Additional Upgrades:

- Underwater CCTV camera fitted in the transom
- Underwater lights - Aqualuma Series 6 white LED wide angle (3 across transom, 1 aft each side)

- Hydraulics - Trac Star Digital fin stabiliser system (providing full roll control at speeds above 13 knots and significant roll reduction while at rest or anchor)
System includes Trac thrusters providing simultaneous, proportional thrusting

Systems

- Hydraulic power steering
- Electric toilet system (Tecma 24v) with two-switch control
- Toilet discharging overboard or to black water tank
- Black-water tank discharging to dockside or overboard through discharge/macerator pump (24v)
- Aluminum fresh water tank with electric sending unit
- Water pressure system (24v)
- Hot-water tank, 200 litre (calorifier with 2 x 2kW immersion heaters)
- Hot-water circulating pump, AC
- Washbains, showers and air conditioning fan
- Coils to drain to grey water tank
- Chilled water air conditioning system (reverse cycle), AC with In-Line back up pump
- Bilge pumping system (24v)
- FM200 manual/automatic fire extinguishing system combined with engines, generators and fans shutdown
- Auxillary hydraulics for trim tabs and platform (24v)
- Horizon Reverse Osmosis Watermaker

Additional Upgrades:

- Generators Upgraded to Two Kohler 32kw 60Hz with super silent sound shields in lieu of standard two Kohler 23kw 60Hz
- Standby fresh water pump - fitted using separate pick-up and strainer from tank feeding separately into main water circuit

Exclusions

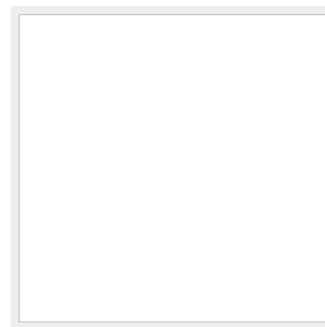

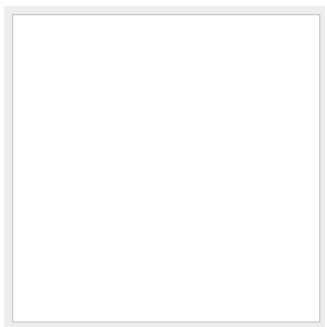

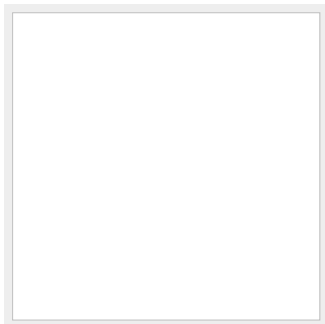

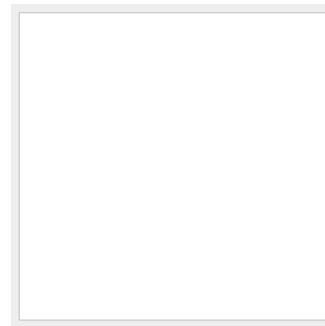

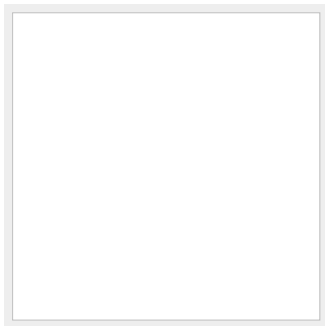

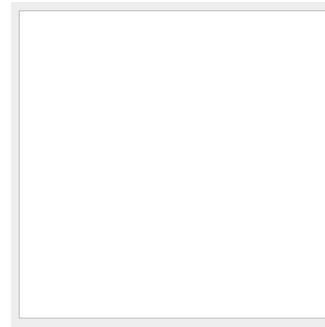

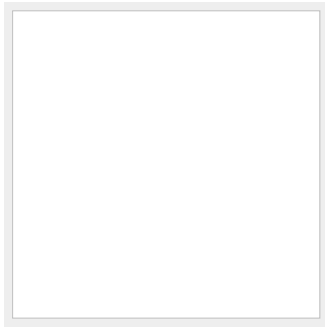

Owner's personal belongings.
