## Overview

---

The Imago 48 is pure exhilaration on the water and is as impressive on the ocean as she looks in the marina. The ability to fast cruise and make passage to your destination quickly and enjoy the location is a unique feature of the Imago 48. With one careful owner since new she has just benefitted from a full refit which has also improved some of the systems and design features of the boat. This comes from the experience of the long term captain who has regularly operated the vessel. She is now in fantastic boat show condition. The fully equipped cock pit is a great place for lunch or sit down below in air-conditioned comfort. The shallow draft of .72 m with the drives up allows you to really sneak close to shore. Cavallino Uno is a truly versatile boat allowing comfortable nights sleeping on board or fast day trips to the islands. Inspections of the refit and upgrades will only impress. For a full specification or to make an appointment to view or sea trial please contact us today.
