## Overview

---

This Pershing 74 is Hull #12 and was purchased in October 2015. Spec'd out and built by Pershing for the US market, it was the owners 2<sup>nd</sup> Pershing. After delivery, the boat lived in fresh water for about 1 year and was then traded back to Ferretti Group for a Pershing 82. The popular Silver Metallic paint looks fantastic (stored undercover a good bit) and highlights a very optioned out boat with bow/stern thrusters, U/W lights, Water-maker, anchor chain air bag, SeaRex drives with Auto-trim, etc....The 1948hp MTU engines have under 600 hours and are ready to go! This will be the next Pershing 74 to sell so if this what you're looking at, take the time to preview this excellent value opportunity!

## Basic Information

---
