SPECIFICATIONS

Overview

The latest generation 70 Hatteras Motor Yacht was debuted at the 2015 Ft Lauderdale International Boat Show, to rave reviews and a handful of orders. This Euro style vessel has since morphed into the freshly anointed **M75 PANACERA** as of August 2017. (The *overall length* is 74'6") There have been 12 models delivered to date, with **MAYBE NEXT YEAR**, hull #5 is the only enclosed bridge version commissioned thus far.

The sophisticated Italian influenced design features, and her *blue water* passage making capabilities, elevates the **M75 PANACERA** to an elite status in the yachting fraternity. In fact, the 2016 June Robb Report awarded her "**BEST OF THE BEST**".

THE OWNERS APPROVED A HUGE \$500,000 REDUCTION. DON'T MISS THIS OPPORTUNITY! REPLACEMENT COST TO BUILD IS \$6.8M
