"Sweet Charity VI" is the finest example available of the exceptionally roomy 506 Carver Motoryacht. Owned by a knowledgeable and meticulous boater. She has received the finest care which is evident everywhere you look. The 3 stateroom / 3 head layout with the climate-controlled aft deck provides you with the amount of usable space found only on yachts of much larger size. With only 850 hours on her Volvo diesel and much of her life spent on the freshwater of the 1000 Lakes, NY this boat has lived a pampered life!

DETAILED INFORMATION

Manufacturer Provided Description

The aft-cabin Carver 506 Motor Yacht offers spacious living accommodations by virtue of a design that features raised, nearly flush-deck walkarounds which enable the salon to be expanded the full width of the beam. That gives the 506 a wider, roomier-than-expected interior which features a "great room" that encompasses the salon, galley, and dining area. A freestanding dining table and chairs provide extra flexibility. And the intriguing two-tiered elliptical window configuration offers unparalleled visibility whether passengers are seated or standing - plus, the streamlined windows add to the bold swept-back exterior styling. What's so incredible about the 506 is that it offers three main levels for entertaining. The flybridge, aft deck, and cabin... all can be fully air-conditioned and enclosed. On the bridge, there's a wetbar and comfortable seating for captain and guests, including an L-shaped lounge aft, and a doublewide lounge on the starboard side. The hardtop with its retractable sunroof spans the entire bridge and aft deck. An integral stairway leads to the large aft deck, which is just waiting to entertain guests. The wide raised side deck walkarounds let everyone move around easily.
