## DETAILED INFORMATION

### 45' Formula 2005

When you simply are looking for the best look no further! "Cheers" is by far the most meticulous, well maintained vessel in her class. Her loving and caring owners have spared no expense and paid attention to every detail. Her updated electronics, Champagne colored hull, and upkeep separate her from all others. The boat is stored with covers over everything including the cockpit seats and electronics. Generous upgrades like the UV deflective tinting and upgraded electronics make cruising this boat a dream!! All services are up to date and the Port engine is under warranty until 2019. The Formula 45 combines the style and sex appeal of a European sportyacht with the amenities of a small motoryacht. Boarding is easy via the extended swim platform, transom door, and twin-level cockpit. Flexiteak decking provides a nice contrast with the tan upholstery, and a walk-through windshield provides easy access to the bow. Below decks, the spacious two-stateroom interior of the 45 Yacht features a tastefully appointed salon with U-shaped leather settee, two removable dining stools, home-size galley with full-size refrigerator, and two heads. Topside highlights include bridge-deck air conditioning, outdoor galley and wet bar, and hydraulic swim platform with dinghy lift system. The entire aft cockpit section rises for access to the engines and generator.
