Salon

The molded fiberglass Salon door with large window and teak finish automatically slides open and has a key lock. Custom Antico flooring lays elegantly at salon entrance. The rest of the salon has wall-to-wall carpeting with lead lined padding for sound absorption, a canvas carpet runner, and teak trim where Amtico floor meets carpet. Fixed frameless side windows with tinted tempered glass are accented with Custom embroidered fabric & Teak valances and Hunter Douglas silhouette blinds. Behind the valances lay indirect decorative rope lighting behind valances. Overhead Xenon lights are recessed with dimmer switches. The salon has a teak aft bulkhead and teak cabinetry with drawers and bottle storage. The large L-shaped sofa with underneath storage for rods hugs a Satin Teak hi/low cocktail table and faces a 50" Fujitsu Pop-up LED TV. Facing the spacious galley countertops sit counterweighted movable bar stools in front of the Teak-stepped spiral staircase to the Flybridge. The Salon Day Head is lined with Attic flooring, Custom Alligator skin wallpaper, and a mirrored backsplash over the vanity with a granite countertop and satin Grohe fixtures. Behind the Head Hunter elongated head is a Teak cabinet with access to a large brow storage room with an electric panel and central vacuum system.

Galley & Laundry

The Galley features custom Amtico teak & holly flooring, Granite counter tops with a 6" overhang for bar stool area, and a custom granite galley island with (2) custom release bar stools, all accented with a mirrored backsplash and dimmers on the overhead halogen lights. Functionally there are double stainless steel sinks under the counter mount with a satin Grohe faucet. The Galley boasts ample storage between the refrigeration and freezers, the (2) Teak faced cabinets with long pullout drawers for food storage, large cabinetry under the cooktop for storage, and the pullout dinnerware storage.

Across from the Galley is the Dinette with booth-style seating hugging a teak table with satin finish and a single thru-bolted pedestal. The cushions are removable offering additional storage underneath. There is a teak divider between the Dinette and Salon and the Companionway entrance is located behind the Dinette down the teak stairwell with carpeted teak steps and a teak handrail.

Through the Companionway, the walls are padded with teak accents and the floors are carpeted with canvas covering runners. The overhead Xenon lights are recessed in headliner. There is storage throughout the Companionway. The Companionway has access to another electric panel, the water tank level gauge and pump indicator located in the sub-panel, bilge areas with awl grip access hatches, the central vacuum unit connection with accessories, and the Laundry Center with Whirlpool stackable washer and dryer behind a teak door.
