SPECIFICATIONS

Overview

The Intrepid 366 Cuddy is a semicustom day boat with state-of-the-art construction (Kevlar reinforced hull) made her one of Intrepid's best-selling models. She's an expanded, updated version of Intrepid's popular 356 Cuddy (1994-2001) whose principal improvement is a slightly bigger cockpit. Built on a high-performance deep-V hull with moderate beam and a stepped bottom, the 366 Cuddy has a deck layout similar to current Intrepid boats with wraparound lounge seating forward of the helm, roomy cockpit, and a large console. The cuddy cabin is air conditioned and features a galley with microwave and fridge, enclosed head/ shower, and horseshoe-shaped lounge seating forward, pop- up cleats, gunnel rod holders, removable aft bench seat, cockpit lights, hull side dive door, cockpit bolsters, raw-water washdown, bow thruster, trim tabs, and premium sound system. An exciting performer even by today's standards.

Basic Information

Category: Cruiser

Sub Category: Express

Model Year: 2001

Year Built: 2001

Country: United States

Dimensions

LOA: 36' 6" (11.13m)
