SPECIFICATIONS

Overview

Best in the Market!!! This Tiara 4300 Sovran is the best selling Tiara ever built. The success comes from 3 ingredients, Tiara quality coupe design with full climate controlled upper cockpit/helm area and the revolutionary Volvo IPS with Joystick for docking.

Because IPS takes up 25% less area than traditional engines, the design team was able to employ the available space as a full second stateroom with head. Vessel sinks and shower partitions, an optional washer/dryer, a full-size refrigerator/freezer, even a spice rack and voluminous storage are a few of the options you will find. The cockpit seating is also both inviting and comfortable – a perfect environment for the cruising lover.

The floor plan offers the ability to sleep 6 on 3 berths, two heads, and a very large galley. DYSID:3178666

Basic Information
