SPECIFICATIONS

Overview

Classic lines and fresh hull paint really make this cruiser stand out on the water. A great layout with plenty of room for guests and comfortable sleeping arrangements in two staterooms with ensuite heads. This surprisingly self sustainable vessel, has 3 100 watt solar panels and a watermaker system. Other highlights include New soft goods in 2017, and all engines serviced 4/18. Entertain for the day, or cruise the islands, Chris Craft was equipped by a highly experienced yachtsman to do both with ease.

Hull Color: Blue

Engine Information

Engines: 2

Manufacturer: Yanmar

Model: 6LY2A-STP

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Walkthrough

Boarding JABULANI is easy with port and starboard midship molded steps or via its large swim platform up one step through the stainless transom gate on the starboard side. Upon entering the well cared for teak decks help accentuate the wide open cockpit area. Going forward is a removable teak table and 3 person ultra leather settee with engine access below.

Next forward and up one step is the vessels generously sized hardtop with a 4 person ultra leather settee to port, and a U-line drink fridge to starboard. Next forward on the starboard side is the vessels helm station, with a sliding door to port that leads to the salon.

Down three steps is the vessels salon area, with antico flooring, a spacious galley to starboard, and a settee to port with a cushion extension which doubles as an extra berth.

Next forward is the master stateroom with a large queen size berth and private ensuite fiberglass head and shower.

Walking aft is the guest state room with private fiberglass head and twin berths.

Aft Deck

- Wide teak swim platform
- Transom storage trunk
- Pull out fresh water shower
