SPECIFICATIONS

Overview

"High Maintenance" has been constantly updated by her owner since purchasing her in 2004. Some of her major upgrades include repowering in 2011 with twin Cummins QSC 8.3 600's, transmissions, Onan generator in 2014, New frameless salon windows, Complete Awlgrip Paint job in 2007, Galley refit and much more. She cruises at a solid 26kts burning 18-20 gallons per side. With all of her upgrades she is ready to give her next owners great memories for years.
